EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- *Cancel claims 9-30* [claim 9 depends on cancel claim 1 and claims 10-30 are non-elected claims].

The following is an examiner's statement of reasons for allowance:

The prior art of record do not teach or suggest, in the claimed combination thereof, a space transformer having a ground conductor wherein the ground conductor includes an inner region and an outer region, said inner region of said ground conductor having a first thickness less than a second thickness of said outer region of the ground conductor, and ground pins fixed to the inner region of the ground conductor and a power conductor including an inner region and an outer region, the inner region of the power conductor having a third thickness less than a fourth thickness of the outer region of the power conductor, the power pins fixed to the inner region of the ground conductor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
